

Be A Part Of History

Railways Football and Sporting Club (Railways FSC), are a community club providing for AFL football, cricket, netball, basketball and various other activities.

The current clubroom is a re-purposed school building relocated from Mt Lockyer Primary School to the current site in 1975. Most of the additions since have been completed in an ad-hoc fashion, as money and time permitted.

The time has come for the redevelopment of this historic landmark and we want the community to be a part of this exciting project.

As well as some much welcomed additions, the re-development will bring the building up to code, including disabled access, and improvements to the environmental performance and efficiency of building service infrastructure.

This project will provide improved facilities and space allowing for existing and future community recreational purposes. The enhanced facilities will allow universal access for all abilities and opportunities for inclusion of a wider community base including women's sport.

It is the Railways FSC's aim to continue to promote itself as a multi-use community facility that welcomes users from all walks of life.

You are invited to be a part of this exciting and unique opportunity!

The Railways FSC want you to be a part of this exciting development. Community plays a vital role in the life of any sporting club, especially one of such rich history, dating all the way back to 1946.

To enable the Tigers to reach their goal and raise the much needed funds for this exciting project, we are asking you, our loyal members and valued community to leave your mark in history by purchasing a **Foundation Brick**.

This is a unique and rare opportunity to become a permanent part of a history. Each brick will be engraved and placed upon the interior of the redevelopment for future generations to see.

\$250 WILL GET YOU A PERMANENT PLACE IN TIGERS HISTORY

Please sponsor a brick and become a permanent part of our new building! Sponsorship starts at \$250 per brick. If you would like to sponsor above and beyond one brick please contact us for more information.
